Experience

HNG / Internship

February 2025 - April 2025

I did an internship at HNG for a few months as a Frontend Developer using HTML, CSS, JavaScript.

I have 2-3 years experience in Frontend development. I've built a lot of projects over those years. Most of my projects are personal projects. Some of the projects i have built are:

- Portfolio
 - Calculator
 - Profile Card
 - ToDo List
 - School websites
 - Quiz App
 - Color Guessing Game
-

Education

Command Secondary School / WASSCE, GCE, JAMB

2019 - September 2022, Ibadan

I attended my senior secondary school at Command Day Secondary School where I gained my WASSCE, GCE and JAMB results.

Fountain University / Bsc. Computer Science

October 2022 - Present, Oshogbo, Osun state

I am an undergraduate at Fountain University studying Computer science. I am currently in my 3rd year.

Certificates

Frontend development Certificate at Alusoft Technologies Limited, Ibadan.

HNG Internship Certificate.

Summary

I am a Frontend Web Developer with 2-3 years experience, proficient at HTML, CSS, Bootstrap and JavaScript. I am good at teamwork and collaboration. I've built a lot of projects over the years. I did an internship at HNG for two months and I am very eager and ready to work.
